Opening Comments:

Hello, everyone and thank you for calling into our monthly Transit Security Grant Program (TSGP) conference call. Hopefully everyone had a nice start to calendar year 2012.

At this time we do not have much information to share on the FY 2012 TSGP. Appropriations were signed into public law on December 23, 2011 and there will be \$1.3B for 12 grant programs of which TSGP is included; however we do not have any information at this time on the TSGP allocation. Conversations are now on going as to the allocations for each grant program. At this time we also do not have a timeline for issuing grant guidance or submission dates. As soon as we have information to share on timelines we will let everyone know via email.

Questions and Answers:
