

TSGP Conference Call Summary
June 1, 2011
1:00PM EDT

Opening Comments:

Hello, everyone this is our weekly Transportation Security Grant Program (TSGP) conference call. We will be holding these weekly calls until June 29, 2011 to address any questions you may have as well as provide you with any updates we may have.

If you have any questions outside the scheduled conference calls you can email us at tsagrants@tsa.dhs.gov. Any questions and answers given in these calls or by email will be posted to the TSA Grants website (www.tsa.gov/grants). The website will be updated no less than once a week. We have consolidated Questions and Answers (Q&A) from all seven of our TSGP workshops within one document and organized them by category in order for you to be able view specific questions on certain topics. We expect to post this summary by the end of this week.

A copy of the Investment Justification (IJ) template in word format with the required Sensitive Security Information (SSI) markings was sent out via TSA Grants yesterday. This year IJs must be treated as SSI (http://www.tsa.gov/what_we_do/ssi/guidance_training.shtm). The IJ along with other templates such as the Detailed Budget have been posted to the TSA Grants website (www.tsa.gov/grants) for your use.

At this time we would like to open the line to any questions.

Questions and Answers:

No questions.
