

TSGP Conference Call Summary
June 22, 2011
1:00PM EDT

Opening Comments:

Hello, everyone this is our weekly Fiscal Year 2011 Transit Security Grant Program (TSGP) conference call.

We will have one more call next Wednesday June 29, 2011 before the final application due date of July 5th, 2011. Remember the SF-424 is due this coming Monday June, 27, 2011 via grants.gov. The submission of the final IJs and budgets are due no later than 11:59pm EDT, July 5, 2011 via ND grants.

The Intercity Bus Security Grant Program (IBSGP) and Freight Rail Security Grant Program (FRSGP) had their application deadline this past Monday. We did not hear of any issues with the submission process and it has worked smoothly. That is a good indication that your applications process should go well.

We would like to reiterate that once you submit your SF-424 into grants.gov, FEMA can then send you the access to ND grants in order for you to complete your application. This can be done at anytime and you do not need to wait until Monday June 27th, 2011.

If you have any questions before next week's call, you may submit them via an email to ASKCSID (ASKCSID@dhs.gov) and TSA Grants (TSAGrants@tsa.dhs.gov) and we will coordinate a response.

At this time we would like to open the line to any questions.
