

Description

The Books24x7 Referenceware library is an internet-based library containing over 17,000 electronic reference manuals (books) that users can instantly browse, search and read books on their computers (desktops/laptops) and mobile devices. TSA employees can place books on personal bookshelves, create bookmarks, take notes, collaborate with colleagues, and download Chapters-To-Go book references.

The Books24x7 Referenceware Library collections include:

BusinessPro- 5,500+ titles in all areas of professional development including leadership, marketing, project management, communications, team building, etc.

ITPro- 8,400+ technical books covering all aspects of certification & compliance, databases, programming languages, operating systems, security networks & protocols, and web development.

OfficeEssentials- 400+ titles on desktop applications, including MS Office, Excel, PowerPoint, Word, Internet browsers, Adobe, and Palm and Blackberry devices.

GovEssentials – 1,100+ titles that support OPM ECQs, Security and Homeland Defense, Contracting, Acquisition, Budget, Grants and more.

ExecSummaries – 400+ summaries of leading business books by today's leading authors.

WellBeingEssentials – 1,000+ titles in the health and work-life arena, such as weight loss, personal finance, parenting, healthy eating, relationships, and more.

LeadershipDevelopmentChannel – 1,300+ videos, 2 to 5 minutes in length covering management & leadership, change & innovation, business strategy, communication, and more.

Chapters To Go from Books24x7 - Chapters to Go™ is a portable content feature that enables Books24x7 subscribers to download 5 chapters of leading professional reference books, including personal bookmarks and notes, as PDF files for offline reading and printing every month.
