

# TSA Pre✓ Application Program

The TSA Pre✓® application program allows eligible travelers the opportunity to receive expedited screening at approximately 200 participating U.S. airports while traveling on 67 participating airlines.

## How to Apply

**Step 1:** Visit [tsa.gov](http://tsa.gov) to learn more about the TSA Pre✓® application program. You can pre-enroll and make an appointment online or walk-in at an application center to apply.

**Step 2:** To apply for TSA Pre✓®, travelers must go in person to an application center to provide required information, documentation and fingerprints.

**Step 3:** Applicants pay a non-refundable \$85 fee to cover the cost of background checks.

**Step 4:** Individuals who apply directly through the TSA Pre✓® Application Program will receive written notification within two to three weeks after the in-person appointment. Many individuals are approved several days after completing the in-person appointment, so you are encouraged to check your status online.

**Step 5:** Travelers with a known traveler number begin to enjoy expedited screening at participating airports nationwide.

**Step 6:** Add the known traveler number to each participating airline profile or provide it when making air travel reservations. The name used when applying for TSA Pre✓® must match the name used when booking travel.
