Travel Checklist

Before Packing

☐ Liquids, gels and aerosols packed in carry-on must follow the 3-1-1 liquids rule:

  - 3.4 ounces or less per container
  - 1 quart size, clear, plastic, zip top bag (all liquids must fit in bag)
  - 1 bag per passenger

☐ Review the prohibited items list for both carry-on and checked baggage.

☐ If purchasing a baggage lock, be sure to look for those that are TSA recognized.

☐ Tape a card with your name and contact information on your electronics.

When Packing

☐ Pack items in layers (shoes one layer, clothes one layer, electronics one layer, etc.)

☐ Firearms are only allowed in checked baggage and must be unloaded, placed in a locked, hard-sided container and declared to your airline.

☐ All fireworks contain explosive materials and are not permitted in checked or carry-on baggage.

☐ Pack large electronics on top layer of carry-on for screening accessibility.

☐ Place your 3-1-1 bag with liquids, gels and aerosols in the front pocket of your carry-on for accessibility.

☐ If traveling with a pet, be sure to bring a leash so carriers can be properly screened.
Before Leaving for the Airport

☐ Give yourself enough time to arrive at the airport early.

☐ Wear easily removable shoes.

☐ Passengers with a disability or medical condition may call ahead to the TSA Cares toll free helpline at (855) 787-2227.

Before Entering the Checkpoint

☐ Eligible passengers look for the TSA PreCheck® lane for expedited screening at participating airports.

☐ Have your ID and boarding pass out for inspection.

In Standard Screening Lane

☐ Remove the 3-1-1 liquids bag and place it in the bin.

☐ Ensure pockets are empty (keys, tissues, currency, wallets, cell phones, etc.) and remove bulky jewelry (valuable items can be placed in carry-on).

☐ Remove your shoes and place them directly on the X-ray belt.

☐ Remove personal electronic devices larger than a cell phone from your carry-on bag and place them into a bin with nothing placed on or under them for X-ray screening. (E.g. laptops, tablets, e-readers and handheld game consoles.)

☐ Remember to check the bins and collect all belongings after going through screening.
